

Who could have imagined that all of us would have to put our Eastern Star lives on hold, certainly not us. It is our hope that when we are able to meet again all will be healthy and willing to return to their Chapter meetings. We miss seeing everyone in person. We look forward to being able to ask those we have chosen to be part of our grand family to fill a position, and to installing our Worthy Matrons and Worthy Patrons who have asked us to do so.

We hope that during this time you have been able to spend quality time with your loved ones. We have been doing projects around the house that kept being put off.

We have been lucky enough to have kept working. If you have not been able to work due to the pandemic and cannot pay your bills, please remember that the Isadore Forbes Benevolent Fund Board and Eastern Star Charitable Foundation are there to assist you.

Remember to wear your masks and keep six feet apart.

Fraternally,
