

RECOMMENDATIONS FOR THE CHAPTER REPRESENTATIVE TO THE MEMBERSHIP COMMITTEE

Work closely with your Worthy Matron to help start the following initiatives.

- Ask the Worthy Matron to appoint several members to the Chapter Membership Committee. A group effort is very effective in generating new ideas. Through team work, the committee can more easily accomplish their goals.
- Appoint a member(s) to call each member and start a dialog about their activities and interests to see what would interest them in coming to Chapter meetings. Finding out why they are not attending may also be very helpful information.
- Appoint a member(s) to gather a list of prospective members and begin reaching out to them.
- Work with the Worthy Matron to schedule activities that are of interest to your prospective members.
- Work with the Worthy Matron to schedule activities with the Masonic brothers in your meeting place.
- Get People Involved
 1. Begin by getting your prospective members involved in an activity that your Chapter is sponsoring or helping with a collation.
 2. Make sure you recognize their efforts.
- Keep Members Active
 1. Appoint a member(s) to keep in touch with members that have good reasons for not being able to attend. This will keep their interest in your meetings alive.
 2. Try to settle any differences that might arise before they turn into irreconcilable differences.
- Schedule meetings at either a rehearsal or after a Chapter meeting to let the Worthy Matron and officers know how you/the committee are proceeding.
- Never take a member for granted.
- Encourage all members.
- Reach out to the members that have not been attending and welcome them back.
- Always work for the good of your Chapter.
